Sinonette

Wears Like Iron and Launderers Perfectly!

Let the children play. Let them gain health and strength in the open air. It does not matter how roughly they use their clothes, provided they are made of LINONETTE, the wash material of quality.

It stands hard wear, and no matter how soiled it may be, it always emerges from the laundry with its first freshness. Thus your children may be provided with garments as fresh as new each day. LINONETTE likewise meets with the enthusiastic approval of women everywhere as the best wash goods for Ladies' Wash Dresses, Shirtwaists and Extra Skirts. It looks and feels like linen, but the price is only one-fourth as much. You may see and purchase Sinonette at your dry goods store in a wide variety of patterns. Don't fail to get it. If you cannot find it write us.
